

"Bringing light where there is darkness and hope where there is despair."

(... ¾ the way down in the report ...)

WE ARE NEVER ALONE: "We have noted that each of us on

earth has numerous guides, that they minister to us in numerous ways, and that they may be with us our entire lives or for varying periods, whether or not we are aware of it. It is a truth that should make the heart sing, and the soul rejoice. It is a truth that should help us to shoulder our burdens and responsibilities with greater willingness, greater

enthusiasm, greater courage - and greater happiness. For any burden or responsibility is less heavy when we know others walk beside us to help us." [*Spiritual Light: Universal Teachings from the Highest Spirit Realms*](#) [topic 1222].
