SPIRITUAL LIGHT: Universal Teachings from the Highest Spirit Realms

by Michael Flagg and John Finnemore. Modern contact with the Spirit World through Spiritualism and Spiritism has always had two aims. The first is to prove that we all survive death. Mediumship has been the primary method by which this fact has been demonstrated. However there is also a second even more important aim. This is to uplift mankind with teachings from higher spirits about the rules of the game of life. If, like many, you enjoy reading *Silver Birch*, *The Spirits Book*, *Seth* and *The Course in Miracles* you owe it to yourself to explore the next installment of wisdom in this book. Anyone who is familiar with the higher levels of mediumship will immediately recognize that this work is coming from the highest vibration.
