In the Shadow of the Cross: The Greatest Conspiracy of All Time

By Billy Roberts RRP £9.99 110 pages

In the Shadow of the Cross dispels one of the greatest myths of all time, that Jesus did not die on the cross, and in fact lived on to continue his ministry. The author makes a detailed analysis of the secret life of Jesus, that was known to the early Christians and which was suppressed later by the Church of Rome. Did Jesus really travel incognito under the name of Yuz Asaph? Did he really marry Mary Magdalene and father her children? Many religious scholars and historians believe that a 2,000 year old tomb

in Srinagar, Kashmir, known as the Rozabal, was the final resting place of Jesus, 'The Prophet of the Book'. *In the Shadow of the Cross* explores the scientific and historic facts, bringing to light a truth that has lain buried beneath 2,000 years of falsehood, and which culminates in the greatest conspiracy of all time.

Billy Roberts has been a professional stage medium/psychic for thirty years and is a published author with 18 books to his credit.

Living Bliss: Major Discoveries Along the Holistic Path

By C. Norman Shealy MD, PhD RRP £12.99 192 pages

Almost a century of research has shown that the most conscientious individuals enjoy longer and healthier lives. In this book you will find the tools to accomplish this, which, as a result, will optimize your self-esteem, health and longevity. During the 1960s, the use of transcutaneous electrical nerve stimulation (TENS) took acupuncture to a new level, revolutionizing pain management. Now the most important acupuncture advancement in 4,000 years is the activation

of the hormone oxytocin, without needles or electrical stimulation. By using essential oils on acupuncture points, C. Norman Shealy shows you how to create the bliss that enables you to fulfill your potential for conscientious living. C. Norman Shealy is a neurosurgeon who trained at Massachusetts General Hospital. He founded the first comprehensive Pain Rehabilitation Clinic in 1971; was the founding president of the American Holistic Medical Association in 1978; and was the founding president of Holos University Graduate Seminary, where he is now Professor Emeritus of energy medicine.
